• **Member Squad** (Roberta Montague & Brian Hoffman)

October 26th will be the next information event for chapter, starting at 5:00 pm. Member squad will put out a request to limit presenters to 5 minutes. Would like to invite some facility managers to get better representation. Considering an alternate site instead of JF Ahern. Dani will contact Steve Braun or Greg Rice from EMI. The member squad has started the recruiting program and is targeting the top 100 companies in Madison. They will be conducting a blackberry scan at the next luncheon. The blackberry scan will entail members scrolling through blackberry to find a facility person that is not a member and someone will contact them before the next IFMA luncheon.

• **Programs & Tours** (Ron Rowe & Jon Schneider)

Have a tour (American Theatres) but need a program for September. There will be a free lunch on August 24th. Will have to have COW put out with a link. The Green Cleaning panel will be put on by Clean Power. Looking for Certified Facility Designation.

• Board of Education (Patty Sweitzer & Kyle Roux)

The FMP classes are scheduled from August 21st-24th. The last one will be November 11th & 12th. Recently met with team and the goal is to have 8 educational sessions next year.

• Sponsorship Task Force (Barb Milan & Lorelle Micklitz)

Looking for ways to raise additional funds and get closer to \$20K. Shred it would like to hold a fundraising event. They will be looking for a location to hold the event at a location that will not cost anything.....possibly Emmons. They are discussing opportunities for Platinum sponsors to increase funds. They would like to increase the number of FM's, and the goal would be to court possible new members and their companies.

News Crew (Vicky Statz & Jennifer Hardebeck)

Ever other month they would like to do a career/member profile. It would be like a day in the life type of profile. The main focus is on FM's. They would like to initiate a new building profile, which could be a new or existing building that would be of interest to our members. Chuck will handle new building profile. Would like to possibly put job postings back in newsletter. The postings would have to be reviewed by news crew and they limit the length. The news crew would like to get a list of members that finish the FMP and CFM courses and recognize these individuals in the newsletter. Presently, they are in need of another committee member. They are always looking for photographs of chapter events.

• **IFMA 2.0** (Dick Pearson & Nathan Hanson)

The website is going to be redone. Presently working with HQ to make Apricot the new standard so other chapters have template and can come aboard. Each team will have their own page. It may be possible to add and subtract pages.

New School (Larry Barton & Tom Riffle)

In process of creating a 1 year certification program. They would like to create a partnership with Madison colleges, both Technical and design schools. They need to speak with Ken Starkman and Dave Shonkwiler. There is a slight delay and Strange will develop the program after the first of the year.

• **Team PR** (Angela Brzowski & John Desens)

Will be getting together with team soon to set tone for the rest of the year. Recent networking event a success, as approximately 40 people attended.

• **Birdie Brigade** (Kim Keister & Paula Roberts)

No report

• Community Crew (Chuck Fox)

They would like to incorporate a program called ringers/singers for the Salvation Army in December. Jen Bendoritis will be moving to Milwaukee and will not be part of the Madison community crew. The community crew will be putting together an outline calendar to perform 6 outreach events. Katherine Neumann was recently in an accident and may be in need of a chairlift. It is possible some proceeds could be made available to assist. The community crew will continue with the charity events. The next in line will be for Rhett's Syndrome. Domestic abuse & Intervention Services is another possible volunteer opportunity.
