## PRESIDENT'S MESSAGE

---

### Did You Know?

Did you know the Madison Chapter of IFMA needs to be recertified with IFMA International each year? Gene Post, our Treasurer, has done the lion's share of work on the chapter recertification for the past two years. Thanks Gene great job!

Did you know that our website [www.IFMAadison.org](http://www.IFMAadison.org) is full of valuable information that can help guide you through many IFMA related questions? If you're looking for names and numbers of committee chairs, executive committee, and/or other member's contact information - it's there. (To enter the "Members Only" section, enter your IFMA membership number as the User ID and your password is your "last name-IFMA06"). Special thanks to Mary Statz for all her hard work on this, and for the exceptional demonstration of our website and other great facilities informational websites at the July lunch meeting.

Did you know that the executive committee meets the second Tuesday of each month at 7:30 a.m.? We would love to have you join us to learn more about IFMA and offer suggestions for our Chapter. Check out each month's location on our website [IFMAadison.org](http://IFMAadison.org). Join us if you can.

Did you know that lunch meetings are the third Tuesday of each month and there is a program associated with each lunch? It's a great educational and networking opportunity. Thanks to Mike Jarlsberg and the meeting planning and reception committee, and Jon Schneider and the program committee for all your hard work!

Did you know that each year the Milwaukee, Green Bay, and Madison chapters have a Tri-Chapter event

and this year it's Madison's turn? It will be May 10<sup>th</sup> at Monona Terrace – save the date! Thanks to Barb Unger, Ginni Jones, and the education committee.

Did you know the IFMA World Workplace is in San Diego, CA on Oct 8 – Oct 10? This is an exceptional event with lots of educational opportunities and endless opportunities for networking. Go if you can.

And lastly, did you know that Support/Administration is one of our 3 major goals for the 2006-07 year? Goal: Constantly improving the infrastructure of the local chapter so that the organization will be both viable and provide value well into the future.

All of the above mentioned items need a lot of Support/Administration so they can happen. Thanks to all who put in time to work on these things. Anyone who wishes to get more out of their membership – just join a committee. You will get so much more than you give.

Enjoy the rest of the summer!  
Sheri Rose, CFM

**Chapter Monthly Luncheon**

Our August speaker will be either Andy Nowick or Gary Brown from UW West Campus Planning, who will be discussing the planning for the UW Hospitals and Clinics. As some of us may have seen from the tour August 10<sup>th</sup>, there have been some major projects occurring on the UW Health Campus. Andy or Gary will provide some highlights of the work and its challenges.
