

Join the IFMA chapters of Wisconsin, (Northeast, Madison, and Southeast) as we spend a day on the campus of UW Oshkosh getting inspired, networking, continuing our education as we connect with our colleagues.

Our keynote speaker this year is **David Rendall**; he has spoken to audiences around the world, and his clients include the US Air Force and the Australian government, as well as companies in the Fortune 500 including, AT&T, State Farm Insurance and Ralph Lauren. Check out David's Website: [www.drendall.com](http://www.drendall.com)

## breakout sessions | tours | closing speaker

Following the keynote, we will have breakout presentations, tours and a closing speaker.

- The Freak Factory: Making People Better by Helping Them Get Worse
- How to Prepare for an Active Shooter scenario
- Case study on how a campus recovered from a Tornado
- Outfitting a Building with Presentation Technology
- Dynamic Job Searches
- Tours of the UW-Oshkosh Campus including; Sage Hall, Horizon Village, and the Bio Digester.
- Closing Speaker: Chris Czarnik and his approach to discovering who you are, where you are and what you are doing in your next role.

**GREAT  
OPPORTUNITY  
TO SHOWCASE  
YOUR  
COMPANY!**
